 - Swimming

Biking

This subcategory includes:

- Major biking trails within state and national parks.
- Biking trails located in county systems.
- Road biking and mountain biking.
- Descriptions MUST include information on accessing the trail.
- Outfitters specializing in bike rentals and gear can also be listed.

Boating

This subcategory includes:

- Outfitters that provide equipment rentals, charters, guides and tours on the water.

Canoeing & Kayaking

This subcategory includes:

- Outfitters that provide products/services specifically for water activities such as kayaking or canoeing, including equipment rental, sales, tours and guides.

Camping

This subcategory includes:

- Campgrounds that offer tent sites.
- Campgrounds that offer RV sites.
- If a campground offers activities such as hiking, canoeing and kayaking etc. to visitors not staying overnight on the property, they may also be listed under these activities.

Fishing

This subcategory includes:

- Rivers, lakes and streams that offer unique fishing opportunities and are accessible to the public.
- Outfitters specializing in fishing gear and/or offering guide services.
- Companies that offer guides or charters.
- Descriptions MUST include information on access points.

Golfing

This subcategory includes:

- Only golf courses that are open to the public and those that are available to hotel/resort visitors.
- The listing will be by course name.
- Private, member-only country clubs will not be listed.

Hiking

This subcategory includes:

- Major hiking trails in state and national parks.
- Descriptions should include specific information on how to access the trail.
- Outfitters specializing in hiking gear and/or offering guide services would also be listed here.

Horseback Riding

This subcategory includes:

- Trails that clearly indicate horseback riding is allowed.
- Horse stables offering visitors self-guided or guided rides.
- Only establishments that allow horseback riding will be listed here, not just viewing or petting horses.

Swimming

This subcategory includes:

- State and national parks and beaches where swimming is permitted.
- Swimming pools that are open to the public.
- Waterparks that permit swimming.
- Hotel & Lodging properties with pools will not be listed here.

Wildlife Viewing

This subcategory includes:

- Designated wildlife-watching areas, nature trails, viewing stations and wildlife management areas where visitors can experience a variety of wildlife habitats.
- Outfitters specializing in wildlife-watching guide services will also be listed.

Tennis

This subcategory includes:

- Facilities that offer use of tennis courts to the general public.
